

# Brand New Experience. Brand New Fleet. Brand New Garuda.

## At Changi CIP Terminal, You're Garuda's V.I.P.

Garuda Indonesia's Executive Class passengers flying from Singapore can now enjoy our world-class V.I.P. check-in services at JetQuay, Asia's

first luxury CIP terminal, conveniently located right next to Terminal 2 at Changi Airport. This exclusive terminal offers passengers a personal concierge to handle your check-in, immigration and baggage clearance, in addition to a suite of amenities such as a business centre and a bistro while you wait for your flights.

## Brand New Aircraft.

Garuda Indonesia has been flying for over 60 years, and we constantly strive to ensure that our fleet and pilots maintain the strictest safety standards.

With our latest fleet of Airbus A330-200 and Boeing 737-800 Next Generation aircraft enhanced with Garuda Indonesia's signature interiors and onboard

service, customers can enjoy true comfort as part of the Garuda Indonesia Experience.

Today, our fleet showcases the new "Nature's Wing" livery, and our new Airbus A330-200 aircraft features flat-bed seats in Executive Class, with 74-inch seat pitch and full 180° recline, allowing you to relax in unparalleled comfort. For your in-flight entertainment, individual touch-screen LCD TV

is provided in both Executive and Economy classes, with a wide selection of 25 movies and 250 audio tracks to choose from.

## To Jakarta And Back, In A Day.

Our earliest departure from Singapore is at 7.20a.m., arriving in Jakarta at 7.55a.m. local time, making it easy to do a round-trip to

Jakarta in just a day. With seven flights daily from Singapore to Jakarta and departures almost every two hours throughout the day, no other airline offers better scheduling flexibility and reliability for the business traveller.

## Delighting All 5 Senses, Indonesian Style.

The Garuda Indonesia Experience is our holistic approach to making your every flight special and memorable. From the traditional warm greeting as you step onboard, to the distinctive sounds of Indonesia playing softly throughout the flight, and the fragrant scent unique to Garuda Indonesia lingering in the aircraft and ticketing offices. Naturally the cuisine will be equally unforgettable, with the signature Indonesian beverage Martebe being served, as well as the rich aroma of Toraja coffee and Mini Tumpeng, an exquisite traditional rice dish simply bursting with exotic flavours on selected flights.

## Indonesia's First And Only 4-Star Airline.

Garuda Indonesia is proud to announce we were recently awarded a four-star rating by Skytrax,

the global benchmark for airline service standards, in recognition of the

effective strategies we have implemented to improve both our fleet and our service standards. We're confident that we can get your vote too, just as soon as we have the pleasure of welcoming you aboard. Come and enjoy the Garuda Indonesia Experience.
